Westminster Larger Catechism Q.76

Repentance unto life is a saving grace worked in the hearts of sinners by the Spirit and the word of God. By it sinners recognize not only how dangerous it is to commit sins but also how filthy and hateful they are to God. Understanding that in Christ God is merciful to those who repent, sinners suffer such deep sorrow for and hate their sins so much that they turn away from all of them and turn to God, attempting to walk continually with him according to this new obedience in every way.

SPOTLIGHT // TECH TEAM

Join Our Tech Team: Help Us Share the Word!

Do you have a heart for service and a passion for technology? Our Tech Ministry is looking for enthusiastic volunteers to help us enhance our worship experience and reach our community near and far. Whether you are a seasoned pro or a curious beginner, we have a place for you!

We are currently looking for help in several key areas:

- **Audio Engineers:** Manage sound levels to ensure every word and note is heard clearly.
- **Graphics & Lyric Operators:** Help the congregation follow along by managing on-screen slides.
- **Camera Operators:** Capture the service with a keen eye for detail.
- **Livestream Techs:** Help us broadcast our services to those joining from home.

No prior experience is necessary—we provide full training for all roles. All you need is a willing spirit and a commitment to serve once or twice a month. Come be the “hands and feet” behind the scenes!

Fill out the form by scanning the qr code below or email Matt Broom (mbroom@signalpres.org).

LOCAL MISSIONARY SPOTLIGHT

Dear Friends,

I've become convinced of this as a leader: if we want to build an organization that changes lives, we must be just as intentional about building our team as we are about building our programs.

Last fall, our staff identified Chattanooga Room in the Inn's (CRITI) core values—Dignity, Equality, Integrity, Growth & Innovation, and Compassion. These aren't just words; they shape how we support our team and serve families.

Our programming team is training in Motivational Interviewing, an evidence-based approach that empowers individuals to create meaningful change in their own lives. Rather than "fixing" people, we walk alongside them as they rebuild—helping them move from feeling stuck to taking ownership of their future.

This reflect who we are becoming: an organization that is compassionate, professionally excellent, ethically grounded, and forward-thinking.

I also want to invite you to stay engaged in this work. One simple way this month is by supporting CRITI's Thrift Store during your spring cleaning. We are especially in need of furniture and housewares—items that help newly graduating residents furnish their homes with dignity.

Donations can be dropped off Tuesday–Saturday, 10:00 AM–5:00 PM at 3807 Ringgold Rd., East Ridge, TN 37412.

Thank you for supporting the families we serve. I'm grateful for your trust and for the many ways you walk alongside this work.

With appreciation,
Taylor Hixson
Executive Director
