SPOTLIGHT // SENIOR SUNDAY

Today is Senior Sunday! It's a celebratory day in the life of our church as we take a few moments during worship to celebrate and give thanks for the students that God has entrusted to our care here at Signal Pres.

As we do this, we remember God's faithfulness and commitment to this class of Seniors. A faithfulness and commitment that has nothing to do with their merit but everything to do with the Lord's grace received through the gift of faith. Christ and all his benefits are for these students which gives us the confidence to bless and send them off in the assurance that God's goodness and mercy will indeed follow them as they transition into this next season and all the days thereafter.

We will meet tonight back at Signal Pres with our Seniors and their families for Senior Sunday where we will enjoy ice cream and fellowship.

A list of our graduating Seniors & their parents is included in today's bulletin. Post it to your refrigerator or fold it in your Bible! Each time you come across it let it serve as a reminder to pray for these students – pray that God would walk with them, guide them in their decisions, work in them, and prepare them for what he will be doing through them.

GLOBAL MISSIONARY SPOTLIGHT

ITEN (International Theological Education Network)

Mike and Stephanie Kuhn

ITEN's mission statement is to provide partnership for theological education and leadership development among those with the least access to the gospel.

Ministry Update:

I am very encouraged by the Vietnam training sites. The ITEN curriculum is being retrained there, and recent estimates are that 34 Dao trainees reproduced the training to impact 468 church leaders and evangelists. A similar impact is observable among the Hmong people group (ITEN's other training site). On a smaller scale, the same is taking place in Sierra Leone. Our curriculum is being used there as an introductory theological training for the pastors and leaders of 20 or so new church plants. Nepal is our newest partnership, with three training events now in the books. Our local partner there has teamed up with another trainee to take the ITEN curriculum into remote mountain regions. He feels his call is to train pastors in Nepal. It is exciting to watch that unfold.

Additionally, ITEN has added two new couples to our team this year. The Mosers and Giffones are already having a positive impact—the Mosers in Nepal and the Giffones in Vietnam and India.
