SPOTLIGHT // FORMATION 45

Formation 45: 2025 Scripture Emphasis *Memorization*

Join us between today's morning worship services in Dudley Hall for a light breakfast and to hear about our next practice in our year-long emphasis on Scripture: Memorization.

Memorizing Scripture is a powerful way to engage with God's Word. When we hide the Word of God in our hearts, treasuring its truth for ourselves, it shapes and forms our thoughts, prayers, actions and even our affections. Memorizing Scripture is best done in community, so please join us this morning as we learn to engage with God's Word in this way together. We will hear about the role that memorization played in the life of Jesus and how we can follow him in this wonderful practice.

If you are unable to join us this morning, please pick up your copy of the memorization card in the Narthex so you don't miss out on practicing with us! You can also find the memorization schedule as well as some helpful podcasts about memorization on our website: www.signalpres.org/formation
