SPOTLIGHT // END OF SEASON RECAP

On Wednesday, May 1, we ended our year of midweek discipleship for kids and students! From PreK through young adults, it's been our privilege to welcome all ages for about 30 weeks this past school year. We used the entire building - from sanctuary to Dudley Hall to the youth wing, with small groups in every corner including workrooms and offices!

We have been blessed as a church with faithful men, women, and students who show up weekly to love and serve this next generation. They partner with parents for the sake of helping these kids and students know other adults who help point them to Jesus in their words and actions. We celebrate them and salute them as a body! We rejoice in their love for they have refreshed the hearts of God's people! (Philemon 7)

So let's pray:

First, pray for refreshment for those who showed up every week to love, teach, listen, and serve. That their own hearts would be refreshed and rest in Jesus' love for them!

Second, for each other as families. Parents: we will keep praying for you. If there is something you want your church staff or small group leaders to be praying about for your son/daughter/family over the summer, please reach out and let us know! And if you don't know who to talk to, start with Andy Cornett and he will talk with you or help connect you.

***Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.
