SPOTLIGHT // VENTURE RECAP

We took 15 recent Graduates to the beautiful state of Colorado with 7 incredible leaders to experience a change of space, pace, and perspective. Amidst the beautiful Sawatch Range in the Rocky Mountains at the base of Mt. Princeton, near the headwaters of the Arkansas River, we dove into the idea of what it means to be a leader through Strong and Weak by Andy Crouch.

We got to experience the thrills of adventure, while contemplating and preparing for their next chapter of life all while telling stories and making new ones. Students got to hear how Jesus is equipping them to flourish, through his own suffering, so that those around them can flourish too.

Yes, we almost peaked a 14er. Yes, we rafted in freezing cold water. Yes, we repelled off rocks, mountain biked, and got to hangout in beautiful Buena Vista. Most importantly, we spent time with the Holy Spirit, we got to grow closer to Jesus, and we got to equip ourselves to follow our Father more intently.

Thank you for praying for us!
