**SPOTLIGHT // ADVENT TOGETHER**

This Advent Season we'll gather as an entire church family between the 9 and 11 am services to make space for Advent, to enjoy time together across all of our generations, and to help you enter into this season with joy and anticipation.

Each week we'll gather for a relaxed time of fellowshiping around tables with a light breakfast (except for our normal big church breakfast on Dec 7) and some simple crafts for young and adult alike.

Then we will have a brief devotion for the entire church family about the songs we sing during Advent. The hymns and psalms of Advent help us to enter more deeply into the meaning of Christ's coming. Come one and all!

## GLOBAL MISSIONARY SPOTLIGHT

### **Patrick and Anna LaRoche** **Serge / Republic of the Congo**

We hit our 10 years on the field this year! We've been through an Ebola outbreak, COVID, over three evacuations (one during a war), and Anna experienced a life-threatening illness. But through it all, God has been so faithful, and we hope and pray to continue serving in Congo for a long time.

The LaRoche family has lived and worked in northeastern Democratic Republic of the Congo since 2015. Patrick is an Internal Medicine and Pediatrics physician, and Anna is a Family Nurse Practitioner. They have been serving with Serge as DRC team leaders since 2018. Their team vision statement is:

In early 2022, the Serge team decided to move to the nearby city of Bunia. While here, Patrick has begun closely teaching and mentoring medical students, providing specialty consultations, and helping to facilitate quality medical care in their national partner hospital in Bunia, CME. Anna has focused primarily on medical care for Congolese who have been internally displaced (IDPs) because of tribal war. Along with Congolese national partners, she has organized projects for two IDP camps that provide free medical care for about 20,000 displaced Congolese.

Please email Anna at [annalarochelle@gmail.com](mailto:annalarochelle@gmail.com) to be added to their updates, and check out their blog at [patrickandannalarochelle.blogspot.com](http://patrickandannalarochelle.blogspot.com) for current stories and pictures.

They hope to work in the Congo as long as God wills and love being part of a Serge team, on mission for God's glory.

*"Working together with the Congolese in Jesus' name to heal bodies, spirits, and the social fabric of northeastern Congo, all in the hope that we serve as a reminder that God has not forgotten His people in Congo."*
