### SPOTLIGHT // STEWARDSHIP

*"If love and generosity are two sides of the same coin, and the ultimate aim of life is to become a person of love in God, then that means becoming a person of generosity is a core facet of becoming a person of love." Comer.*

I love this time of year when the leaves are changing, the mornings are brisk, and everyone is in full school mode... football and soccer games, cross country, pumpkins, fire-pits and great hiking. We are in full fall mode here at Signal Pres. This weekend will be our First Sunday Breakfast, plus Family Camp on Saturday. Wednesday nights are bustling, with 80 small groups meeting for kids and students. We manage to squeeze these groups into 49 rooms, halls and foyers in the church. We would love for you to come to a Wednesday night to see how we accommodate the 230 kids and 250 students, 100 plus adult volunteers, choir rehearsal, support groups and Adult Discipleship Core Class. It really is amazing to be a part of.

Even more amazing is the generosity of the people of Signal Pres. Without your continued financial support, we would not be able to carry out all the ministries of the church for our community. God has called us to be good stewards of His resources, and we are so thankful that you do that every week with your love and financial support. Thank you so much for liberally blessing this church so we can be a blessing to our community on the mountain and beyond

Our overall attendance, both on Wednesday nights and Sunday morning, continues to grow. As we review our Budget vs Actuals you will see our expenses are within 2.5% of the budget. Our giving is up year over year by 11%, but because we increased our overall budget for 2023 our giving is under 2023 projections by 9.4%. We have consistently experienced a strong 4th quarter giving that we feel confident will balance the budget for 2023, but we do ask that you would continue your generous giving to support the Lord's ongoing work here at Signal Pres.
