SPOTLIGHT // FORMATION 45

Formation 45: Prayer Q2

Join us between the 9 and 11 am services for Formation 45! We're inviting you to take on the practice of praying the Lord's Prayer. Prayer changes things. It changes our world, because prayer is one of the means by which God has chosen to work in the world. And it also changes us, because as we make them our own, God forms our hearts to love what he loves and to come to him as children come to a good and perfect Father.

We'll learn together the what and the how of the Lord's Prayer in our time together. If you're not in one of our Men's or Women's Bible Studies, then come join in on what others have already been learning about. And if you are currently in our studies then join us to continue to grow in this practice.

A hot breakfast will be served for all. Parents, please take your kids directly to the kids' floor where they'll eat and then receive teaching themselves. Everyone else join us in Dudley Hall at 10:10!

GLOBAL MISSIONARY SPOTLIGHT

A. Smith

English Teacher with ELIC in Mongolia

ELIC (English Language Institute China) exists to spread the gospel in hard-to-access countries through education. We use our reputation as quality English teachers to build lasting relationships in these countries, where we can then share the Good News in the context of Spirit-led conversations.

In my third year of living and teaching here, I would say that I feel a sense of accomplishment in another year spent digging deeper into Mongolia. I see an improving relationship with our school, closer friendships with my local coworkers, and connections with my students that have allowed me to really touch on the deeper parts of life this year. I praise Him for small but noticeable improvements in my language learning and ask for continued motivation to be tenacious in my studies. I view all of these things as still laying the foundation for the future, where I hope that, through investing in relationships and language learning now, the Father will bring about much harvest in the years to come.

Moving forward, my goal is to invest more deeply both in my school and outside of it. Within my school, I have been investing in anything I can do that will let my students know I care about them and let my fellow teachers know that I am here to stay. Outside of school, I will continue to facilitate an English club that attracts people from all walks of life, who are often very curious about our faith.
