## OPERATION CHRISTMAS CHILD

One of the global mission partners we look forward to supporting each year is Operation Christmas Child. These shoebox gifts help share the Good News of Jesus Christ with children in need in more than 100 countries around the world.

Children are individually selected to receive a box by a Samaritan's Purse missionary in their area. The child is identified as someone who might be open to hearing the good news of the Bible. Many of these children have never before received a present or heard the true meaning of Christmas - until they open a gift-filled shoebox. A child can only receive one box during their lifetime and they commit to a 12 week discipleship program after receiving one.

There are 2 important ways for the Signal Pres family to be involved this year. There are boxes throughout the church and we invite you to take one and fill it as a family. This is a wonderful teaching opportunity for children as they learn the joy of giving and the impact we can have on others. Please return your box to the church no later than November 23rd.

We will also have a Packing Party on Nov 16th right before our congregational Thanksgiving dinner. We plan on packing 500 boxes that night and we need your help! Bring the whole family so everyone can learn about the mission and participate in spreading the Gospel. Let's help "bring salvation to the ends of the earth" (Acts 13:47 ESV)

## GLOBAL MISSIONARY SPOTLIGHT

### ITEN

Mike and Stephanie Kuhn lead the ministry of ITEN (the International Theological Education Network).

ITEN is about partnering with a purpose. Our purpose is to come alongside local believers in hard-to-reach places of the world where there is little access to biblical and theological training. Missionaries from the outside simply can't reach all the unreached peoples of the world, but increasingly, formerly unreached peoples are finding new life in Jesus. As they do, they recognize the need to reach out to their neighbors and plant new churches. ITEN seeks to help them do that.

ITEN is about deep discipleship. Our discipleship moves in two directions. First, ITEN helps ground new believers' understanding in the Jesus-centered story of the Bible. Much like Philip guided the Ethiopian eunuch to a Jesus-centered understanding of the Old Testament, new followers of Jesus need guidance to see the Bible as a unified story that leads to Him. It is a powerful story with the potential for total life transformation—head, heart, and hands.

The second direction is our own spiritual formation. As we walk alongside brothers and sisters in these hard-to-reach places, we, too, are formed more deeply in the way of Jesus. Jesus said, "Give, and it will be given to you." Discipleship is reciprocal in Christ's global church—both giving and receiving.
