SPOTLIGHT // NIGHTOWLS & EMBRACE

Looking for a place to serve with your family or friends?

Join us for **NightOWLS & Embrace New Volunteer Training** either Sunday, August 24 at 5:30pm or Monday, August 25 at 6:00pm to learn more about how you can serve with us. Volunteers must be in middle school or older to serve. We additionally ask that all middle school volunteers have one parent serve with them.

**NightOWLS** is a respite ministry for families who have a child with a disability or special needs. We care for those children and their siblings on Friday evenings and Saturday afternoons for seven months each year. We have a great time playing games, doing crafts and activities, and watching movies together.

**Embrace Ministry** provides support during both worship services on Sundays and Wednesday nights as well as hosts a Bible study on Wednesday nights. This support allows members of our Signal Pres family to participate fully in the life of the church, while allowing their parents or family members to also participate.

Both of these ministries are quickly growing. In order to serve everyone, we are in need of people who are willing to love and care for them. Please consider joining us at either of the trainings listed above.

## GLOBAL MISSIONARY SPOTLIGHT

### *Signal Mountain Presbyterian Mission Trip*

Recently, a group of nine people from our church served at the World Outreach Family Gathering in Cyprus. World Outreach is the missions arm of our denomination, sending and supporting missionaries around the world, as well as those serving here in the U.S. The Family Gathering is an event held every three years, providing missionaries and their families an opportunity for fellowship and restoration.

The group from our church consisted of John Kinard, Allyson Kinard, Tom Dewey, Lorie Dewey, Hannah Hutto, Melissa Stanley, Sarah Katherine Stanley, Chris Poole, and Embree Poole. The Signal Pres group was responsible for providing childcare for the 0–3-year-old age group and for leading the college group. The college group used the book *Practicing the Way* to guide their study, and the church was able to provide each college-aged participant with a copy of the book to take home.

The group also had the opportunity to meet and visit with many of the missionaries our congregation supports. They heard firsthand about both the victories and challenges of doing the Lord's work around the world. Johnny Long, (former Executive Director of Signal Pres) who now serves as the Director of Operations for World Outreach, was also present, and the group enjoyed visiting with Johnny and his wife Lucy during the week.

Stay tuned for the opportunity to serve at the next Family Gathering in 2028!
