Formation 45: 2026 Scripture Emphasis on Prayer

Join us in between the services today in Dudley Hall for breakfast and to hear about our new church-wide Spiritual Disciplines practice for 2026: Prayer. If you feel like prayer is one of your weaker spiritual muscles, you are in good company! Even the disciples, who lived alongside of Jesus, struggled to know how to pray. We all need help! We will spend this entire year together learning how to pray.

We will kick off the year by introducing our yearly Bible reading and prayer plan. This practice will bridge our year of Scripture with our new emphasis on Prayer. Together we will learn how to pray God's own words back to him, no matter where we are in our Bibles. There are beginner, intermediate and comprehensive tracks on our reading plan, so no matter where you are in your comfort level with Scripture and Prayer, we have a place for you! Join us at Formation 45 to pick up your plan and to learn more.

If you are unable to join us this morning, please pick up your copy of the reading plan at resource tables throughout the church so that you don't miss out on practicing with us! You can also find a recording of Formation 45 on our podcast this week. A digital copy of the reading plan, the podcast and other helpful tools can be found on our website: www.signalpres.org/formation

GLOBAL MISSIONARY SPOTLIGHT

Angela Queen
World Outreach
Batam Partnership Hub – Indonesia

Hi, I'm Angela. I serve among a frontier UPG in Southeast Asia. My heart is to share Jesus Christ with nationals in organic, practical ways. My vision is to see bodies of believers drawn together, worshipping Jesus Christ in every populated island village.

I serve as TL for a group of workers based on an island in the Riau Archipelago. Our vision and goal is to serve, support, and equip indigenous workers for CPM within the local, emerging sending movement. As our team grows, we have greater capacity to meet and foster relationships with more locals, provide discipleship and mentoring for national CPRs, and support the CPM stemming from the local mission training center.

I am in the process of beginning another three-year appointment as TL for my team. We continue to grow, serve, and learn together. As the sea cucumber project continues to expand its reach, the Lord brings more workers to the region, and we see incredible opportunities for expansion of the emerging CPM! Maintaining a supportive role and partnership with the seminary continues to provide access to students and new graduates.

We have a heart to serve through discipleship, hospitality, art ministry, counseling/trauma healing, English teaching, and community health and development. Please pray that the Lord will open doors and hearts as we strive to make His name known to the ends of the earth. Thank you for your partnership!
