SPOTLIGHT // FORMATION 45

What's not to love about April? The weather is warm. The days are longer. Activities are in full gear. And summer is just around the corner.

Maybe if there is a challenge to April, it is that the warm weather, long days and wide open activities spell a whole new level of busyness for many of us. We see this even in the church – April tends to be a time when engagement and attendance starts to fall off a bit.

All of this makes me excited for the chance that we have as a church this April to gather together in a new and intentional way that we are calling **Formation 45**. Every Sunday this month, we will have programming for all ages between the morning worship services.

On April 7th, all adults and students will gather in Dudley Hall for a kickoff event. For the next three Sundays, students will meet separately and adults will be divided into mid-size groups based roughly on age and stage. Our focus in these groups will be on the discipline of saying no to some good things so that we might increasingly say yes to the ultimate good of following Jesus in all of life. Kids will meet on the kids floor for their own programming all 4 weeks. And by the way, there will be grab-and-go breakfast available all 4 weeks.

I hope that you will be intentional about being with us this April!
