AFFIRMATION OF FAITH

*Q: What does the opening of the Lord's prayer teach us?  
A: The opening of the Lord's prayer teaches us that when we pray we should draw near to God, confident of his fatherly goodness and the benefits to us from that goodness, reverently and in every way like a child, and with heavenly feelings and a proper awareness of his sovereign power, his majesty, and his graciousness in allowing us to approach him. The opening also teaches us to pray with and for others.*

SPOTLIGHT // WOMEN'S MINISTRY

*Women's Ministry*

In our Women's Ministry, we value opportunities to connect with each other as women and deepen our relationships. We have three events coming up where we are inviting all women to spend time together.

**Gather and Grow on October 6** (6:30 – 8 PM) is a time where we share a meal, fellowship and grow in faith together.

For **Let's Go Outside on November 1** (10 AM – 12 noon), we will enjoy a two-mile hike at McCoy Farm and Gardens together.

Then you'll want to save the date for our special **Christmas Together** event on December 6 (9 AM – 12 noon) where we will gather for brunch, inspirational teaching and various Christmas Craft workshops. More details and registration for Christmas Together will be live on our website by November 1.

You can find more details and registration for Women's events on the Signal Pres website [www.signalpres.org](http://www.signalpres.org).

Whether you are new to Signal Pres, or have been here for a long time, we hope you will join us for these Women's Ministry Events.

## GLOBAL MISSIONARY SPOTLIGHT

### ***Shawn and Lisa Stewart – Engage 2025 / EPC World Outreach – Black Mountain, NC***

#### ***Key Aspects of Field Service***

Field Service serves as a vital bridge between EPC World Outreach workers in the field and the churches and presbyteries that support them back home. Our mission is to strengthen these relationships and enhance collaboration through four primary goals:

#### ***1: Building Bridges Through Strategic Teams***

Field Service supports field workers by helping to cultivate strong, meaningful relationships with their sending presbyteries and churches.

#### ***2: Strengthening Connections Through Field Visits***

Field Service visits workers on the field to serve as a conduit—sharing their stories and ministry updates with supporting churches and presbyteries.

#### ***3: Identifying and Mobilizing for Unreached Regions***

Field Service works to identify regions with little or no gospel presence and collaborates with mobilization teams to:

- Recruit new field workers.
- Build partnerships with national believers supported by EPC World Outreach.

#### ***4: Facilitating Development and Financial Support***

Field Service connects individuals and churches with opportunities to invest in capital projects that enable field growth and help spark movements of Jesus followers.

By acting as a bridge, Field Service deepens the bond between field workers and their sending communities—fostering greater collaboration and a shared commitment to the mission.
