**SPOTLIGHT // MOVE UP SIXES**

On Sunday June 14th, our 6 year olds will celebrate moving up and moving on from Kingdom Kids. Our 6 year olds will be celebrated with a worship bag to keep, and everyone will enjoy a special snack.

These move up days happen 4 times per year and are a time when 6 year olds can get excited about joining the congregation in "big church." As parents, you can celebrate with them in this transition!

## GLOBAL MISSIONARY SPOTLIGHT

Anneliese Smith  
English Teacher with ELIC in Mongolia

ELIC (English Language Institute China) exists to spread the gospel in hard-to-access countries through education. We use our reputation as quality English teachers to build lasting relationships in these countries, where we can then share the good news in the context of Spirit-led conversations.

As I finish my third year of living and teaching here, I would say that I feel a sense of accomplishment in another year spent digging deeper into Mongolia. I see an improving relationship with our school, closer friendships with my local coworkers, and connections with my students that have allowed me to really touch on the deep parts of life this year. I praise Him for small but noticeable improvements in my language learning and ask for continued motivation to be tenacious in my study. I view all of these things as still laying the foundation for the future, where I hope that, through investing in relationships and language learning now, the Father will bring about much harvest in the years to come.

Moving forward, my goal is to invest more deeply both in my school and outside of it. Within my school, I have been investing in anything I can do to let my students know I care about them and to let my fellow teachers know that I am here to stay. Outside of school, I will continue to facilitate an English club that attracts people from all walks of life and who are often very curious about our faith.

*\*Anneliese grew up at Signal Pres, and is the daughter of Dan & Treena Smith.*
