SPOTLIGHT // SUNDAY SCHOOL

Exciting changes are coming this fall for our Sunday School hour! Sunday School is a great place for connection for adults, students and kids. For those who have not yet found their community, this is a great entryway into getting to know folks in a way that is easy enough to include in your regular rhythms of Sunday morning worship. Classes will meet between the 9AM and 11AM services.

Alongside the connection and formation that happens in these times, we want them to be a space that helps you to get connected to the deeper formation and discipleship that happens in community groups and Bible studies. For Kids and Students, Sunday mornings are a great supplement to Wednesday nights, as well.

Considering this, we will be adding more classes for adults, students, and kids **beginning on August 23rd.**

Descriptions of new and existing classes are available on our website or by scanning the QR code below.

We look forward to connecting with you in Sunday School this fall!

GLOBAL MISSIONS SPOTLIGHT

10/40 Connections

Chad and Leslie Segraves

For 25 years, 10/40 Connections has labored to make Jesus known among the least reached. We seek to catalyze Disciple Making Movements among the unreached people groups of the 10/40 Window. We love to see God move and we have found that as we multiply leaders and defend life, many people turn to Jesus and extend his kingdom.

Our living faith finds its solid reference point in the unchanging character of God as revealed in the Bible. As stated in our core values, "10/40 seeks to allow biblical standards and godly integrity to form the basis of our practice, realizing that God's kingdom culture stands above all human cultures."

At 10/40, we share:

- A desire to see Jesus Christ lifted high,
- A commitment to honor the Word of God,
- A passion to see the kingdom proclaimed to all ethnic groups, and
- A hope to see more men and women empowered and equipped to run fast and far together to complete the Great Commission for God's glory.

A note from the Segraves: "We have been so thankful for the times the SMPC mission team has offered additional funding for special projects! What a blessing that has been! These gifts were unexpected and have been put to use in the projects we listed for John K and the team. We are so thankful for the 25 YEARS of financial and prayer support from SMPC. We are glad that some members of SMPC were able to celebrate with us this past Fall in Chattanooga. We are thankful for the ongoing generosity of SMPC and the mission team. We enjoy the monthly letters from the prayerful ladies of SMPC who lift up our regular requests and updates."
