SPOTLIGHT // FAMILY

Q: What's the most important thing in our family ministry?

A: 1) The ministry of Jesus by his Spirit. After that, it's 2) the small group leaders we have with kids, students, and embrace (disability ministry).

As a church, we want to help create a culture where every kid or student is connected with a people to belong to so that we can point them to Jesus! The best route to that is through small group leaders: the women, men, and students who show up on Wednesday nights dedicated to a group of kids or students, striving to be a wise and effective leader and a good partner with parents.

They get to show kids and students that they are loved and known not just by us, but by the God who made them and delights in them. Our church isn't just a place for you to show up, but a faith by God's grace for you to live in and live out.

We don't do this perfectly. But we are committed to investing in our leaders by knowing and loving and training them ... in the hopes that they will do the same for the next generation in our church and community. And we are committed to you as families ... knowing, loving, and serving you in this way and more.

Would you be interested in small group leadership? Our ministries are beginning to pray for and seek out people who God might be calling to step up and serve as small group leaders for next year. If you are curious for yourself - or you know someone who would be great - please reach out!
