

Proverbs provides God's wisdom to guide and direct our entire lives—including friendship. How do we build friendships and be a friend? We go to God's Word to find the answer.

As you take time daily to connect with the Bible, remember to:

- OBSERVE (What is happening? Who/what is causing it? What is the outcome?)
- INTERPRET (What is the comparison? What principle is taught?)
- APPLY (How does this apply to my life? How does this help me **connect** with someone?)

Remember, we **CONNECT** with people by **B.L.E.S.S.**ing them.

B.L.E.S.S.

- **B**egin with prayer
- **L**isten
- **E**ngage (share a meal, grab coffee, hangout)
- **S**erve
- **S**hare your story – How has Jesus made a difference in your life?
