Motherhood is one of those jobs that are often taken for granted. When people are asked what they do for a living, being a "mother" doesn't seem to take on the flavor of other "paid" careers. But that should not be. We see today the power of a mother, almost to the level of medical doctor - and why.

THE POWER OF COMFORT

Isaiah 66:13 NIV

As a **mother comforts her child**, so will I comfort you; and you will be comforted over Jerusalem."

CHALLENGE: The challenge is simply this: celebrate mothers! If you are a mom, this is your day. If you are a son or daughter, appreciate Mom like you never did before. Or even if you are not a mom, or you did not have a positive relationship with Mom, or Mom is no longer with you, fulfill that motherly mentor role in someone else's life, for you never know whose life could be changed for the better!
