With Easter passed, Christ resurrected, His Spirit sent to His apostles, and the church underway, we face the reality check that these events aren't just awesome fairy tales of the past. They are the historical foundation of a work that continues today, even here at Codorus. How is God gifting you to keep His church going?

Only the Spirit of God:

1. ____ the ____ of God.

2. ____ the ____ of God.

3. ____ the ____ of God.

How do I know what my gift is?

How do I use that gift for God's glory and others' good?

CHALLENGE: *Discovering your gifts is an important part of being a disciple of Jesus. Those gifts are the platform from which you do your work – and when you operate from those gifts, it makes the job much easier. Take the week to review the PIPES principle. Take one piece each day and think about how each one applies to you. Spend quality time in prayer asking God to reveal those gifts, and how you may use them for His glory and others' good.*
