CHALLENGE: *Unfortunately, no sermon can answer the burning questions you probably have: **What are my gifts? What is my calling?** But if you continue to study, keep praying over PIPES (Prayer, Interests, Passions, Enjoyments, Skills), and praying in general, God will reveal these answers in His time. Your challenge is simply this, **commit to this prayer time**, and reach out to us if we can help you with some tools, as well.*
