

Day 3: The Power of the Blood

****Opening Scripture:****

"They triumphed over him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death."

Revelation 12:11 NIV

****Devotional:****

The blood of Jesus is our victory. It is through His sacrifice that we have overcome the enemy. The blood signifies redemption, protection, and power. Just as the Israelites were protected by the blood of the lamb during Passover, we are protected by the blood of Jesus. Let us hold fast to this truth and testify of His goodness and faithfulness in our lives.

****Closing Prayer:****

Thank You, Jesus, for Your precious blood that gives me victory over the enemy. Help me to live boldly and testify of Your goodness. In the matchless Name of Jesus I pray.
Amen :)
