

Day 3: The Shoes of Peace

****Opening Scripture:****

"...and with your feet fitted with the readiness that comes from the gospel of peace."

Ephesians 6:15 NIV

****Devotional:****

The shoes of peace equip us to stand firm and move forward in the midst of chaos. The gospel of peace is the good news of Jesus Christ, bringing reconciliation between God and humanity. When we walk in this peace, we carry stability and confidence, not fear or anxiety. Wherever we go, we are called to be peacemakers, changing atmospheres with the presence of God. Let us walk with the assurance that heaven walks with us.

****Closing Prayer:****

Father, thank You for the peace that surpasses all understanding. Help us to be carriers of Your peace, bringing Your presence into every situation. May we walk confidently, knowing that You are with us. In the matchless Name of Jesus I pray. Amen :)
