For the One | We are so excited to be over halfway to our goal of raising \$1.3 million! For the past 15 years, the heartbeat of TrueNorth Church has always been to create loving, creative, and relevant environments for the child, student, or adult to experience the love of Jesus. We will do everything within our power and resources for that one person to be won to Christ just as Jesus taught in Luke 15:1. We have experienced a huge wave of growth and life change since we moved into our current campus almost 5 years ago. We will be taking another step of faith as we expand our facilities and make more room "for the one."

Please prayerfully consider how you can help us continue to reach more families in our local community. You can give on Sunday mornings or online at truenorthchurch.com/give, just be sure to designate "For the One."
