

Announcements for 5.19.19

Current Series, *Compassion* | TrueNorth is partnering with Compassion International and Iglesia del Nazareno Macas to plant a new church and child development center in Gualaquiza, Ecuador. Our 2018 Christmas offering is being used to help establish this ministry in a very needy part of South America by providing a new building and utilities. During this series, every attender will have the opportunity to sponsor a Compassion child in Gualaquiza. Sponsoring a child provides not only spiritual development, education, health care, and nutrition, but also the hope that comes from knowing there is somebody in the world that loves them. Please be praying about how God might be asking you to sponsor a child this year. Visit the table in the atrium to pick up a sponsorship packet or get more information.
