## **The Living Legacy Fund**

Livingstone Adventist Academy provides a Christ-centered education for Pre-K through 12th grade students. The school's mission is to inspire students to Know God, Seek Wisdom and Serve Others.

The Living Legacy Fund exists in order to lower tuition costs for students who need financial support. Without this much-needed tuition assistance, many of these students would not have the opportunity to attend Livingstone Adventist Academy.

Living Legacy is funded through generous donations from local church and community members, as well as through fundraising events put on by the school.

There is no shortage of need in our community – and that includes families who would like to provide a Christian education to their children, but can't afford to.

Currently, the amount of available funding is not sufficient to match all of the need in our community and unfortunately, some families who want to send their children to the school have not been able to.

Livingstone Adventist Academy desires to not only maintain current Living Legacy Fund levels, but to increase the fund in the future so that even more deserving students will have the opportunity to attend the school.

If you are considering options for charitable donations, and if you believe in the blessing of high-quality Christian education, then please consider supporting the Living Legacy Fund.

This year's Livingstone Adventist Academy Jog-a-Thon will be on Friday, May 10.

Students, Faculty & Staff, and local Pastors will be jogging to raise money for the **Living Legacy Fund**, which provides tuition assistance to worthy students.

For more information, visit the school website ([www.livingstone.academy](http://www.livingstone.academy)) and then click on the Jog-a-Thon link.

Or, scan this QR code with your phone's camera:

You can sponsor a student, teacher or pastor and/or make an online donation through the Jog-a-Thon website.

Thank you for supporting Livingstone Adventist Academy!
