

## **Week 5: The King of Glory**

### **Psalm 24 - Advance Commitment**

*"The earth is the Lord's and the fullness thereof, the world and those who dwell therein." – Psalm 24:1*

**Theme:** Stewardship, holiness, and open-handed living

### **Pray:**

- Praise God as the true owner of all we have: our finances, our time, and this land.
- Pray for hearts of worshipful generosity. That giving would be an act of joy and trust, not pressure.
- Ask God to purify our motives, that we would not lift our souls to idols of comfort, security, or recognition.
- Pray that Crosspoint would see the glory of God displayed through the faith and sacrifice of His people.

## **A Closing Prayer for the Advance Season:**

*"Lord, establish the work of our hands. May this building project be more than bricks and beams. Make it a place where generations come to know You, be known by Your people, and make You known to the world. Amen."*
