

Week 4: God Builds His Church

Psalm 127 - Advance Trust

“Unless the Lord builds the house, those who build it labor in vain.” – Psalm 127:1

Theme: The Lord is the Builder, we labor in vain without Him

Pray:

- Ask God to establish the work of our hands in every blueprint, meeting, permit, and conversation.
- Pray that His presence would dwell richly in what's being built both physically and spiritually.
- Pray for our staff, elders, and volunteers to labor from rest, not striving, trusting that God is the one who builds His church.
- Commit this next year of building and fundraising to prayer, asking God to strengthen our faith more than our walls.
