

Week 2: Being Known

Psalm 126 - Advance Community

"Those who sow in tears shall reap with shouts of joy." – Psalm 126:5

Theme: Joy in restoration and unity in sowing and reaping together (CORE: authentic community)

Pray:

- Praise God for the community He's already built and ask Him to deepen relationships as we take this next step together.
- Pray that we would sow faithfully, our time, resources, and energy, even through tears or sacrifice, trusting that God will bring joy in the harvest.
- Ask the Lord to *keep us* humble and unified as plans, opinions, and details unfold in the building process.
- Pray for those who are new or on the margins to find belonging and connection in this season of growth.
