New Messenger Group

In the messenger section of our
app, we have a new group titled
"No Pastors Allowed". This groups
chat is a way for us to be able to
communicate information and
details for events, activities,
surprises to bless our pastors
without them knowing. If you have
the app please be sure to join this
group. If you do not have the app,
we encourage you to download it
and take advantage of the many
options available on it as well as
joining this group for all the
"secret" information. With Pastor
Appreciation Month right around
the corner, we will be utilizing this
chat very soon.
