

**ANGEL  
ESTEBAN  
MARTINEZ  
GUTIERREZ**

• **12 YEARS OLD**

### **Education:**

His behavior at school has improved, he is willing to do homework and learn the topics that are difficult for him.

### **Health:**

Ángel continues to take medication prescribed by a psychiatrist and we are currently waiting for a follow-up appointment with the psychiatrist.

### **Family:**

His mother does not show commitment to be a part of the boy's process.

### **Spiritual:**

Through the devotionals, he has been taught to better his attitude and character through the Word of God and become a boy that is full of the love of God.

**Personal:**

Ángel has advanced in Reading and writing, he is willing to continue reaching his goals.

**DORLAN  
ANDRES  
OSPINA  
AYALA**

• **10 YEARS OLD**

### **Education:**

Dorlan has good behaviors and academic performance.

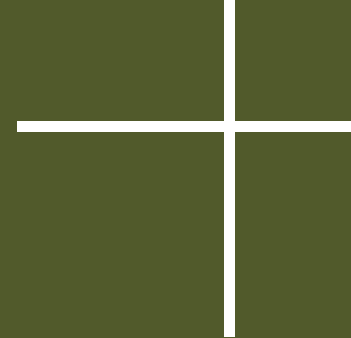

### **Health:**

He is currently very healthy.

### **Family:**

His father recently got out of jail and found a job as a construction worker. His mother is the one that goes to the programs provided by the foundation but his parents show little interest in being punctual and with the child's academic obligations.

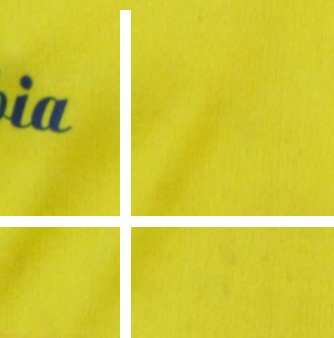

**Spiritual:**

Dorlan continues to work on knowing God as a father who is full of love, can fill voids, and bring restoration to the problems in his family.

**Personal:**

He has advanced in his behavior and shows a lot of effort to change his attitude of obedience.

# EMMANUEL QUIROZ

• 11 YEARS OLD

### **Education:**

Emmanuel started a process to move up to the 4th grade, it's evident that he is committed and willing to make the effort to move on to the next grade.

### **Family:**

His father hasn't been present, his mother is the one who is checking in on him and his process, following the recommendations given by the professionals.

### **Health:**

He is frequently having headaches; he is being checked by a neurologist and a pediatrician. We are waiting for the results of the labs that were done in order for the professionals to indicate the next steps to take.

### **Spiritual:**

Emmanuel expresses his thoughts about the Lord in the devotionals, showing obedience and respect toward Him. He likes to pray for his friends.

### **Personal:**

Emmanuel is a brave boy who is always ready to learn. He is becoming more mature and makes an effort to change his bad behaviors.

A young boy with short dark hair, wearing a dark blue zip-up jacket over a blue and white striped shirt, is giving a thumbs up gesture. He is sitting outdoors, with a wooden railing and a brick wall visible in the background.

**MATEO  
MOSQUERA  
RUIZ**

•

**9 YEARS OLD**

## **Education:**

Mateo started this year in 2nd grade. His performance the last few months has been good, it's evident that he is committed to his studies and student activities.

## **Family:**

Mateo's mother is not an authority figure to him and due to this it's difficult to establish rules with Mateo.

## **Health:**

He continues to take his medications prescribed by the psychiatrist and we are waiting for approval for a follow-up appointment.

### **Spiritual:**

Mateo is a boy that is likes to learn about God. We are working with him on telling the truth. It is a process that requires a lot of patience.

### **Personal:**

Mateo has developed in the integration of the group. He likes to help the other boys and he tries hard to improve his behavior. Mateo has become more obedient.
