

MATEO
MOSQUERA
RUIZ

9 years old

Education

Mateo continues to improve at school. He is now doing well with math and he is in a process of learning to read and recognize common words.

Family

His mother attends different meetings at the foundation. His sister is also in a foundation with the government and this situation makes him very sad.

Health

He continues to see a psychiatrist and he is taking medication.

Spiritual

Mateo continues to grow in his relationship with God. He understands that God is like a Father that takes care of him and protects him. At night he says he prays to God in order to sleep soundly.

Mateo is learning more about caring for animals. Eventhough, it has been difficult, he is making big efforts in this area.

JUAN
SEBASTIAN
AYALA
ARREDONDO

12 years old

Education

Sebastian is working hard to write well. This was an area that his teacher at school recommended to work on. He is doing an excellent job with the other subjects at school.

Family

His stepfather was released from prison and that has helped Sebastian to have a better attitude with the other boys. The family has been more united and they are always present in Sebastian's process.

Health

Sebastian has two appointments with the eye doctor. They recommended having him use glasses for some difficulties he's having.

Spiritual

Sebastian has made commitments to God to change certain behaviors such as lying and misbehaving at school.

Sebastian has grown in obedience and respect with the house parents. He is able to do his chores and receive advice and suggestions well.
