

Growing in Faith, Nourishing Hopes.

Dear family and friends! It is a true joy to greet you once again and share how the Lord continues to work in our midst.

As you know, our commitment is not only to the physical nutrition of the children we welcome, but also to their spiritual growth. For this reason, before the plates reach the table, we dedicate a very special time to them: our children's Bible study.

"Listening attentively to the Word. The teacher guides the children in a time of teaching and prayer before their meal."

A Served Table: The Fruit of Your Generosity

After nourishing their spirits, we move to the tables to enjoy the food that, thanks to your support, we are able to provide. This dining hall is made possible by every donation, large or small, that we receive. Your help translates directly into fresh ingredients, cooking gas, and a safe space for them. At the tables, there are smiles and nutritious meals. Every child is a blessing!

Special Request: United in Prayer

As a family at Open Arms Foundation, we stand together in faith before any need. We want to ask you to join us in a very special prayer for Michael Perrow, head of our office in the United States, and son of our founder William Perrow.

Currently, Michael is undergoing medical studies regarding a possible cancer diagnosis in his right eye. Please pray for:

- Wisdom for the doctor in charge of his examinations.
- Peace and strength for him and the Perrow family during this time of waiting.
- Total healing and well-being, trusting in the Lord's care.

"And the prayer offered in faith will make the sick person well..." — James 5:15 (NIV)

HOW TO HELP

•Online: Visit our Giving Page and use the Give button at:

www.openarmsfoundation.com

•By Mail: You can send a check to our office at: Open Arms Foundation
PO BOX 7542, Cross Lanes, WV 25313
