

# EMMANUEL QUIROZ

• 11 YEARS OLD

**Health:**

His mother is trying to get the money together for his glasses.

**Education:**

Emmanuel after a lot of effort was able to pass the school year. He is moving onto second grade. He needs to behave better in class and review certain topics in Spanish class.

### **Family:**

Emanuel's parents continue trying to have a better relationship in front of him. His mother is currently unemployed and spends a lot of time with him. Even though sometimes it's difficult, he enjoys time with her.

### **Spiritual:**

Emmanuel has changed his character for good. He is more respectful to authority figures and his elders. He likes to participate in devotionals to pray for the other boys and their families.

### **Personal:**

Emmanuel continued to advance in Reading and writing. He is being taught how to have better handwriting.

**GIOVANNY  
ACEVEDO  
PULGARIN**

16 YEARS OLD

•  
•

### **Family:**

Giovanny's father was found dead on the 24th of November. His siblings have been trying to give emotional support to each other in this situation.

### **Education:**

Giovanny passed the school year and is moving onto 9th grade next year.

## **Health:**

Giovanny continues to go to orthodontist appointments. The Orthodontist has said he is close to finishing his process with braces and next month they will remove the top set of braces and leave the bottom set to finishing correcting his lower set of teeth.

## **Spiritual:**

Giovanny has been grateful for the things God has done in his life. Even though he lost a loved one, Giovanny continues to move forward.

## **Personal:**

Giovanny continues taking pictures and editing them. He is seen as a leader by the other boys. We are trying to raise him to be a confident leader.

**JUAN  
ESTEBAN  
MUNERA  
ESTRADA**

• 11 YEARS OLD

### **Health:**

Juan Esteban is very healthy and has no health concerns at the moment.

### **Education:**

Juan passed the school year and is moving onto 6th grade next year. He still needs to behave more in the classroom at school.

### **Family:**

His mother calls him from prison every once in a while, to see how he is behaving. She promises him that she will be with him, although Juan has said that they are promises she won't keep. He is trying to make his relationship with his aunt better and she tried to understand the situation that Juan is going through.

### **Spiritual:**

Juan Esteban has had a much better attitude recently. He is also showing a lot of interest in God and knowing him more. He is being mentored and taught how to grow closer to the Lord.

### **Personal:**

Juan has showed interest in the kitchen. He is being taught how to be organized in the kitchen and do things well.

JUAN  
PABLO  
REYES  
GUTIERREZ

• 14 YEARS OLD

**Health:**

He goes to orthodontist appointments every month. The orthodontist has mentioned that he is a few months away from finishing treatments.

**Education:**

Juan Pablo passed the school year and is moving onto 8th grade. He got excellent grades on his report card, he is very committed to his studies.

## **Family:**

Juan Pablo is very expectant because his brother will visit with his aunt for some time and he will be able to visit. He hasn't seen him for almost 2 years due to the pandemic and restrictions in the country. He continues to visit his family and he has a good relationship with them.

## **Spiritual:**

Pablo says that God has done many things in his life. He saved him from the streets, He rescued him from danger, and He gave him an opportunity to have a better life through the foundation.

## **Personal:**

Pablo is a leader to the boys. He is good at completing this role and he does it with effort and dedication. His leadership has grown so much that the other boys obey him and follow him.

# MATEO MOSQUERA RUIZ

• 9 YEARS OLD

### **Health:**

Mateo continues to have appointments with psychiatrists every month and continues taking the same medication.

### **Education:**

Mateo finished 1st grade with a lot of effort. He passed and is moving onto second grade next year. This is a great accomplishment for him to be moving up!

### **Family:**

His mother goes to the meetings organized by the foundation; she expresses that she is content that Mateo is doing well and liked being at the foundation.

### **Spiritual:**

Mateo is making an effort to tell the truth. He is an obedient boy and he helps the other boys at the foundation. He respects others and is very attentive to the Word of God. muy atento a la palabra de Dios.

### **Personal:**

Mateo continues advancing in taking care of animals, however he is still being supervised and oriented in this area.
