He is being taught through devotionals about the love of God and the obedience God deserves because He is our Creator. Esneider is a boy who is very open to these topics and he is very respectful.

Esneider is very honest and open to learning. He likes to learn about animals.

GIOVANNY
ACEVEDO
PULGARIN

16 years old

Education:

Giovanny has great grades in school and it is evident that he is committed and continues to grow in Christian leadership.

Family

His father went missing two months ago, yet Giovanny has had the opportunity to be closer to his siblings and make memories with them on special occasions. They have birthday celebrations together and are able to do different activities together.

Health

Giovanny currently has a full set of braces and continues to be in a process with the orthodontist. In addition to this, he has glasses that were recommended by the eye doctor. He needs to use at all times, especially for school.

Spiritual

Giovanny is currently confused about God. He has expressed many questions such as why God has allowed so many bad things to happen in his life, yet he continues to be mentored in this area.

Giovanny likes photography and he practices these skills with the other boys during his free time.
