Lead Pastor, Paul Wilson

This morning, we are pleased for Josh Hart, our Worship Pastor candidate, to join and lead us in worship. After the service, Calvary members will vote to affirm Josh's calling to this position. Please pray with me that God would lead us all through this process in a way that glorifies His name and points to the glorious Gospel. What is the Gospel? Here it is in a nutshell: You and I were created to joyfully worship God. Instead, we rebelliously live for ourselves. So we deserve eternal punishment. But God, in His mercy and love, sent His Perfect Son Jesus to take our deserved penalty. Jesus was killed and punished in our place and for our sin. Now, the Resurrected Jesus restores to God all who believe in Him. Our prayer is that you would believe the Gospel and trust Jesus today. For more explanation, pick up a "Two Roads" booklet from the Kiosk in the Lobby, or see me!

For Further Reflection

1. We exist for the glory of God. That's such a deep statement. How does that affect the way you approach things, such as your work, relationships, and ministry?
2. "Worship is living in reverent awe of God, in response to His gracious revelation." What would help clarify this possible definition of worship? How does this definition help us in our evaluations of corporate worship services?
3. What do we mean when we use categories like "gathered worship" and "scattered worship"?
4. What would it look like if you approached Sunday mornings with Colossians 3:16 in mind?
