Acts 22:3-10

Paul's Defense cont.

Verse 3-5 - What is Paul appealing to here? Why does this matter so much?

Verse 6 - Paul's experience is so important to the message he brings. Is that also true for us today?

Verse 7 - What does this voice mean? Why would Paul mention this?

Verse 8 - How was Paul persecuting Jesus? He was persecuting people who believed in Jesus (Matt. 25:40). What can we learn from this??

Verse 9 - What should we make of these eye witness accounts? (Deut. 19:15)

Verse 10 - Where does Jesus tell Paul to go? Why is this so important to his defense before the Jews?
