Acts 22:12-16s

God's Performative Word Through His Servant

Verse 12 - Who is Anaias? Why does it matter that he is described as this verse describes him? Why would Jesus choose Anaias to deliver his gifts? (Acts 10:34)

Verse 13 - What means are described here as to how Paul's sight was restored? Why is this so important? What does this remind us of? (Matt. 8:5-13)

Where else in the Bible does it tell us this?

Genesis 1:3; Psalm 33:8-9; Hebrews 4:12-13; Isaiah 55:11-12; Jeremiah 1:12; Luke 1:38

What does it mean for us today that this performative Word of God is at work among us?

Think about the Divine Service. What is said there? What specifically does God's Word say to us?

The service of the Sacrament. What is said there?

Verses 14-15 - God's Performative Word - How are these verses also true for us?
