**Topic: Paul Before Agrippa - Acts 26:8-18**

### **Acts 26:8-18**

**Verse 8** - Notice what Paul is using here as the hinge point of his entire argument? What can we learn from this in our own evangelism and witness? (1 Corinthians 15:12-19)

Is the resurrection used enough in evangelism today? Should it be used more?

**Verse 9-11** - What is Paul doing here? We can and should use this same approach

**Verse 12-14** - How is Paul using personal storytelling here?

**Verse 15** - Why could we argue that this verse is the key moment in Paul's argument? What's he actually saying to Agrippa and others when he says this about himself?

**Verse 16-18** - Who's Paul truly talking too? Or should we say Jesus is talking to through Paul?
