**Topic: The False Conclusions of the Native People of Malta**

**Chapter 28** - THE FINAL CHAPTER OF ACTS!!!

**Verse 1** - Where were they exactly? (27:26)

**Verse 2** - How were they treated by the Native people on Malta? (Col 3:11)

**Verse 3** - What happened to Paul here? How does it remind us of Christ? (Gen. 3:15; John 3:14; Numbers 21:4-9)

**Verse 4** - What's so scary and reasonable about the Native's conclusion regarding Paul and why he would have been bitten? (John 9:2; Luke 13:2)

What can we learn from this event? How does this apply to us?

**Verse 5** - What was the purpose of the serpent bite?

**Verse 6** - Why didn't Paul die? What was the Native's conclusion now?
