Topic: On to Rome - Acts 27:1-26

Verse 1 - First off notice the “we” passage. Who’s with Paul again? Where is Paul headed now? Who’s custody is he in? For what reason?

Verse 2 - Why are the very specific details important here? How is this typical Lukan style? Remember Aristarchus from Acts 19:29?

Verse 3 - Why do you think Julius was kind to Paul?

Verses 4-9 - Let’s track their course on the map (slide)

Verse 10 - Is it odd that Paul is advising them?

Verse 11 - Why did they not listen to him?

Verses 12-13 - Did they make it to Crete?

Verses 14-20 - What a Mess!!!

Verse 21 - Should they have listened to Paul?

Verse 22-26 - Did God leave Paul? How does it account the exact opposite of the prophet Jonah? What does this show us about the difference that Pentecost makes and the Advent of the Holy Spirit?

What should this remind us of as believers today? When God says you’re going, you’re going!
