

TALK IT OVER: 2.18.24

Ice Breaker: Were you ever a Columbia House Music Member? (Hopefully at least one person in the group can explain what this is) or/and What was your first music medium, (Cassete Tape, Cd, 8 Track)

Text: Background on Philippians <https://youtu.be/oE9qqW1-BkU?feature=shared>
Philippians 2:1-8

Head: (Get Thinking)

If others in your life (spouse, family member, co worker) are selfish yet you deny self, won't you get taken advantage of?

How do we know when to say "no" to the demands of others without being selfish?

Heart: (Get Shaking)

What is a strongly held opinion either you or another person has that is putting an unnecessary barrier in your relationship with them. (Or an opinion you may have interfering with your relationship with God?)

What is something that you have learned from a recent conflict (resolved or unresolved) in a relationship?

Hands: (Get Doing)

How do you apply verse 2 with someone who you may disagree with doctrinally or who is refusing to live by Scripture; can you share a real life example?

What is one way God may be calling you be selfless in a specific relationship with someone week?(seek/offer forgiveness, reconnect or disconnect from a good/bad relationship conflict resolution etc.)

Pray: Remember to pray for others in your group as they come to mind and encourage one another to carry out any action plan God put on their heart.

Announcements: Prayer Gathering at Ebenezer this Wednesday Feb 21st at 7pm
