

**OPENING DISCUSSION STARTER**

Have people in the group describe a time when you feel like God used them for a specific purpose or in someone else's life.

**ASK**

Now that we are 4-5 weeks into DIVINE DESIGN, how has your understanding of Spiritual Gifts changed? What have you learned? And how important do you think Discovering, Developing, and Deploying your Spiritual Gift is?

**READ**

Read **EPHESIANS 4:1-7**. How are we supposed to approach our Spiritual Giftedness? Is this something we choose or are given? Why does that matter?

How does verses 6-7 really help to explain this?

**REVIEW**

Sunday we shared 5 reasons we are supposed to Discover and Develop our gifts. They are listed here below. Ask which reason most motivates the group?

1. Direction and **CLARITY** for our lives.
2. Freedom to embrace and enjoy **WHO** you are.
3. The **JOY** that results from impacting other's lives.
4. Affirmation of your **VICTORY** in Christ.
5. Accountability as you will be responsible for the **STEWARDSHIP** of your gift.

**READ**

Read **2 CORINTHIANS 5:10-11**. Who is the judgement spoken in this passage reserved for? The world or the church? Why?

How are these roles equally important to the whole? Is anyone one gift more important to the other? Do we need all of them to have a healthy church?

**ASK**

Has everyone in the group done both the 5fold Ministry Survey and the Spiritual Gifts test?

Remember, your specific **Motivational Gift**, can be different, but will always compliment your **Ministry Gift**.

## **CLOSE WITH THIS**
