

ASK...

Who is one person you know that has been RADICALLY changed by Jesus Christ? They had an **Extreme Makeover**. What was the biggest change you saw in them?

READ

Have someone in your group read **EPHESIANS 2:1-3** this describes our condition before Jesus did a makeover in our lives. (Talk about it too!)

FACILITATOR (This part is just for YOU!)

Share a little about your life before Christ. What caused you to see your sinfulness and need for Christ?

Now ask others in your group to share some of their makeover stories.

TALK ABOUT (As a group)

How your lives are different because of what Jesus did in your story.

Share a few ways in which you have experienced God's grace and blessings since you became a Christ Follower.

READ

Have someone in your group read **EPHESIANS 2:10**

This verse says that we are God's workmanship or handy-work.

How is God in the process right now of creating something beautiful in and through you? (Have people share it with the group.)

HOME WORK

Here is some work to do when we are apart. We WILL ask you to share what this was like next week!

1. Write a **letter** of gratitude to God thanking Him for what He did in saving you and how He changed your life.
2. Write an email or a letter to somebody letting them know how you have seen God change them and how they are a masterpiece that God is making.
