

**REVIEW HOME WORK**

Ask someone to SHARE if they did their homework assignment...

1. Did anyone write a **letter** of gratitude to God thanking Him for what He did in saving you and how He changed your life.
2. Did anyone write an email or a letter to somebody letting them know how you have seen God change them and how they are a masterpiece that God is making.

**READ**

Go back and read again **EPHESIANS 2:18-22**. Then ask someone to share about a person God used to build and shape their life. Maybe it was the same person you “would have” written the letter to above!

From this passage, what can we learn about the church and what the church is supposed to be?

**READ**

Read **EPHESIANS 3:14-19**. How is this prayer different from those we typically hear from other Christians?

As a group make a list of the things that Paul prays for in Ephesians 3:14-19. Which ONE is the most what you need right now?

**ASK**

Someone to describe a time when you have benefited or been helped by someone in the body exercising their Spiritual Gift?

**READ**

Read **EPHESIANS 4:11-13**. How does this list of “gifts” help us to understand God’s over-arching plan for the church?

How are these roles equally important to the whole? Is anyone one gift more important to the other? Do we need all of them to have a healthy church?

**ASK**

If anyone knows what their “5-fold” gift is and can share how they learned it?

## HOME WORK

Here is an assignment to do when we are apart. We WILL ask you to share what this was like next week!

1. Think about someone you know or see using their spiritual gift to serve others. Ask them how they discovered their gifts and starting using them.
2. Direct people to the link: [www.FIVEfoldMINISTRY.com](http://www.FIVEfoldMINISTRY.com) to begin to discover what their gifts might be.
