Overview

Do you know the values, priorities, and mission of First MB Church? There are three values, one mission, and six priorities. The 3 values are being real people with a real faith making a real impact. The 1 mission is to help people find and follow Jesus. The 6 priorities are: connect with a few, spend time with God, live a life of worship, engage in missions, serve somewhere, and share somehow. This might seem like a lot to know, but if you know the area code you can memorize the values, mission, and priorities. Just remember 316.

Over the next 6 weeks First MB will be doing a study called My Path. It will focus on the 6 priorities of the church. My Path is a plan to help you grow spiritually. Do you know the area where you need to grow? As you read over the 6 priorities pick one or two of them to focus on. It is our goal that you will grow spiritually closer to God as you focus on the priorities.
