Transformation is long-lasting and noticeable change.

Transformation rarely happens
overnight. It's a lifelong journey.

Don't conform to the world's way of thinking.

Be transformed by a new way of thinking.

What is **our part** in our transformation?

What is **God's part** in our transformation?

**...work out your own
salvation**

with fear and trembling,
**for it is God who works in
you,**

both to will and to work
for His good pleasure.
