

EPISODE TEN - REVIVAL VISITATION: HERE ARE THE KEYS! STEVE UPPAL & RICK KAUL

STEVE UPPAL SPEAKS WITH RICK KAUL, ALL NATIONS CHURCH TELFORD

Rick Kaul is part of the All Nations senior team and is the Pastor of All Nations campus in Telford. All Nations is a diverse community of different ages, races and languages. The vision is: For all people to glorify God through knowing Christ, becoming like Christ, and making Christ known.

THE CONNECTION BETWEEN REVIVAL, PROPHECY AND ENCOUNTER

Our primary revelation and theology comes from the Word of God and yet God is speaking through dreams, encounters and visions. The meaning and the message behind encounters are helping to explain some of what God is leading us into. It is time to revive the five fold ministry: the apostles, prophets, evangelists, teachers and pastors.

God is calling his body to work united together. There is a revival coming; in preparation there is going to be a reformation of the church and a restoration of supernatural gifting. There is a restoration of the apostles; these will be leaders marked by humility and gentleness. They will act in obedience to the Father and invest in raising up sons and daughters. We need the help of the Holy Spirit to be united and work together.

KEY SCRIPTURES - WHAT DOES THE BIBLE SAY?

Ephesians 4:11-13 - The five fold ministry gifts are given and must work together in unity.

Matthew 11:29 - Jesus modelled a life of humility and gentleness; we must likewise take this servant hearted posture.

John 5:19 - Jesus only did what he saw his father doing; we must be listening and obeying the father.
