Find Strength for the Battle

Psalm 20:7 "Some trust in chariots and some in horses, but we trust in the name of our LORD our God."

Does it seem that when you keep waking up at night for whatever reason, you find yourself saying, "If God loves me, wouldn't He want me to sleep?" And with a tired grin you go back to sleep. Like me, do you desire to live faithfully for Christ, but your body is oh so tired?

Sleep feels essential during seasons of growth, like Spring time. When the sun comes up, you start to already go through the day's list in your head and maybe already start to feel tired. Weary from approaching our daily list with heavy eyes and limbs, we find ourselves beneath blankets for a moment of rest and sometimes question God, "How am I suppose to do all You've called me to do when sleeplessness and fatigue is what I am feeling?"

Remember God always shows up, sometimes at night, a still small voice. And this voice reminds you that your confidence is not in how well-rested you are but in how well you are resting in Christ.

Rest would be nice and seem to help us feel victorious each day, **but the Bible tells us victory is found by calling on the name of the LORD and relying on His strength.** Be totally dependent on God, especially when you're tired. Live every day in His strength!

Hello! My name is Kenneth W. Durst and I am the Pastor here at PrayerView Community Church. Beside me is my beautiful wife Linda. We want to thank you for coming today and warmly welcome you to today's Praise & Worship Service. We are so glad you are here! We believe you are not here by accident. You have been prayed for to be here and

we believe God brought you here because He has a miracle for you today. Yes, we do believe our God is the same yesterday, today, and forever. And if He did miracles during the past times He still does them today for you and me. We have seen hundreds of people's lives changed by the power of God's touch. And furthermore we have seen people who have been touched, reach out and touch other people making a difference for Jesus in our church, our city, and the world. Today at PrayerView, you will have a great opportunity to meet new people, experience God in an amazing way, and grow spiritually in your life. I hope and pray you are blessed by the service today, and that you will make PrayerView your spiritual home. If you have any questions, prayer requests or if there is anything we can do for you, please do not hesitate to let us know. That is what we are here for! God Bless!
