WALKING WITH JESUS & HIS CHURCH

## “Fellowship of Believers”

The Bible emphasizes the significance of fellowship throughout its teachings, promoting a sense of community, mutual support, and shared spiritual growth among believers. The idea of carrying each other’s burdens in Galatians 6:2 further underscores the communal aspect of the Christian journey.

Have you ever experienced hurt in community in the past? If so, how does this cause you to struggle with community now?

### Read Hebrews 10:19-23

How does the gospel unite us at a deeper level than any differences that would normally divide us?

What are the advantages to walking through life with people who are different than you in personality, past experiences, interests, etc.?

### Read Hebrews 10:24-25

When in your life are you most tempted to retreat and neglect meeting together with people who love Jesus and love you?

Take some time as a group to pray over the hurts that cause you to avoid community. Pray for those who have hurt you.
