

Most people don't come to Jesus because of a PASTOR, they come to Jesus because of a FRIEND

## 1. Sharing the Gospel Is Easier With FRIENDS

What images and memories come to mind when you hear the word "evangelism"?

What if evangelism looked more like spending time with friends and being intentional about turning the conversations toward spiritual things at times and sharing your story about how following Jesus has impacted your life.

What is the focus of evangelism was building a RELATIONSHIP, not getting RESULTS

## 2. Sharing the Gospel Sometimes Means Getting Through the CROWD

Is your life making it EASIER or HARDER for others to see JESUS?

Who are you not seeing in your life right now that needs to KNOW JESUS?

## 3. Sharing the Gospel Sometimes Requires Us to Remove OBSTACLES

How determined are you to get your friends to JESUS?

The most effective evangelism occurs within the protection of a FRIENDSHIP

#### 4. Sharing the Gospel Always Meets With RESISTANCE

Sharing the GOSPEL with someone is engagement is SPIRITUAL WARFARE

When a lost sinner commits to FOLLOW Jesus Heaven REJOICES and Hell RAGES

God will make you FRUITFUL as you are FAITHFUL to do the work of sharing the Gospel
